

PHARMACY REMINDER

We are sorry about your wait!

As we are in uncertain times, we are doing our best to reduce your exposure to COVID-19. We understand you are experiencing a longer than usual wait in our pharmacy drive-thru and we apologize for the inconvenience. In order to reduce the drive-thru wait times, we need your help:

- To help us better serve you please call 24 hours in advance for prescription refills.
- When your medication refills are ready you will receive a text or automated call to inform you.
- Please ensure your info is correct with pharmacy and request you get notifications for medication refill updates.
- Please wait for the pharmacy notification that your medications are ready for pick up before joining the drive-thru line.
